阿罗约

菲律宾前总统

H.E. Gloria Macapagal Arroyo

Former Philippine President

格洛丽亚·马卡帕加尔·阿罗约从政前是经济学家，在菲律宾多所大学（包括国立大学）担任经济学教授。在学界工作期间，阿罗约积极致力于建立良好的菲中关系。40多年前在中国尚未对外开放的20世纪70年代，阿罗约作为菲中互解协会的主要成员，有幸受邀访问了中国北京、上海、广州、杭州和大寨等地。阿罗约的父亲迪奥斯达多·马卡帕加尔曾在1961-1965年间担任菲律宾总统，因此菲律宾的一些资深政治家招募她竞选参议院议员，她的从政生涯由此开始。阿罗约在2001-2010年间担任菲律宾总统；2010-2019年阿罗约曾三次担任菲律宾众议院议员；2018年4月，阿罗约当选为博鳌亚洲论坛理事会成员；2018-2019年，她当选菲律宾众议院议长，直至宪法规定的三届任期结束。

Gloria Macapal-Arroyo began her career as an economist and a professor of economics at a number of universities in the Philippines, including the country's state university. Even when she was still in the academe, she was already involved in fostering good relations with China. More than 40 years ago, as an active member of the Association for Philippines-China Understanding, she visited Beijing, Shanghai, Guangzhou, Hangzhou, and Dachai in the 1970's, when China had not yet opened up to the world.

Her father Diosdado Macapagal was President of the Philippines from 1961 to 1965. Thus, it seemed natural that at some point, some of the senior politicians in the Philippines recruited her to run for Senator, and that launched her political career. She was President of the Philippines from 2001 to 2010. She was elected as a member of the Board of Directors of the Boao Forum for Asia in April, 2018. She served as Speaker of the Philippine House of Representatives in the 2018-2019 session, until the constitutionally mandated end of her three terms.

Mr. Michael W Lodge of the U.K. serves as Secretary-General of International Seabed Authority since 2017. He was Deputy to the Secretary-General prior to his election. He received his LLB from the University of East Anglia, and has an MSc in marine policy from the London School of Economics and Political Science. He is a barrister of Gray's Inn, London. He has also held appointments as a Visiting Fellow of Somerville College, Oxford (2012-2013), an Associate Fellow of Chatham House, London (2007) and a member of the World Economic Forum's Global Agenda Council on Oceans (2011-2016). With 28 years of experience as a public international lawyer, Michael Lodge has facilitated high-level multilateral and bilateral negotiations at international and regional level. His significant achievements include his pivotal role in the ISA from its inception in 1996 and in helping to create and implement the first international regulatory regime for seabed mining. He also contributed to the future security of global fish stocks by leading the process to create the Western and Central Pacific Fisheries Commission from concept to its establishment as the largest regional fisheries management organization in the world, also serving as the interim executive director of the Commission. Mr. Lodge has published and lectured extensively on the international law of the sea, with over 25 published books and articles on law of the sea, oceans policy and related issues.

中国—东南亚南海研究中心简介

中国—东南亚南海研究中心(以下简称“中心”)是非营利、非政府的国际组织,致力于促进中国和东盟国家智库之间在南海问题上的学术交流与合作。中心旨在推动南海地区在传统和非传统安全、海洋环境保护、海洋科学研究、海上航行和通信安全、共同开发和自然资源管理,及危机预防与管控等领域的联合研究等。中心的使命是就上述领域开展深入学术研究,提出有建设性的政策建议,以推动解决地方、国家和区域层面的争端,促进南海地区的和平与繁荣。

自2016年3月成立以来,中心吸纳7个成员组织,包括:柬埔寨合作与和平研究所(CICP)、中国南海研究院(NISCSS)、印尼战略与国际问题研究中心(CSIS)、马来西亚战略与国际问题研究所(ISIS)、菲律宾和平、暴力和恐怖主义研究所(PIPVTR)、新加坡南洋理工大学拉惹勒南国际研究院(RSIS)、泰国萨然如木外交事务学院基金会(SIFAF)。

About CSARC

China-Southeast Asia Research Center on the South China Sea (CSARC) is a non-profit, non-governmental international organization. It is dedicated to enhancing exchanges and cooperation among think-tanks of China and ASEAN countries, as well as its partners and supporting parties through its established networks, on issues of the South China Sea.

CSARC aims to promote joint research on solutions to regional issues of the South China Sea in various fields, such as traditional and non-traditional security, marine environmental protection, marine scientific research, safety of navigation and communication at sea, joint development and management of natural resources, and crisis prevention and management.

Our mission is to conduct in-depth research leading to new policy initiatives for solving disputes facing the local, national and regional level in order to bring more peace and prosperity to the entirety of the region.

Since its inception in March 2016, CSARC has incorporated seven member organizations including Cambodian Institute for Cooperation and Peace (CICP), Cambodian, National Institute for South China Sea Studies (NISCSS), China, Centre for Strategic and International Studies (CSIS), Indonesia, Institute of Strategic and International Studies (ISIS), Malaysia, Philippine Institute for Peace, Violence and Terrorism Research (PIPVTR), the Philippines, S. Rajaratnam School of International Studies (RSIS), Nanyang Technological University, Singapore, and Saranrom Institute of Foreign Affairs Foundation (SIFAF), Thailand.

中国南海研究院简介

中国南海研究院（以下简称“研究院”）位于海口市江东新区，是以南海为专门研究对象并从事相关学术研究与交流的专业学术研究机构。其前身为创立于1996年的“海南南海研究中心”。2004年7月，正式更名为“中国南海研究院”。

2013年1月，“中国南海研究院北京分院”正式成立。2016年3月，由研究院与印尼战略与国际问题研究中心联合发起，东南亚多家重要智库共同参与的“中国—东南亚南海研究中心”正式成立。2017年6月，研究院被确定为新增国家高端智库建设培育单位。2018年10月，研究院获批设立博士后工作站。

研究院现有6个部门、1个基金会和3个分支机构，分别为海洋法律与政策研究所（世界海军研究中心、三沙研究中心、新闻中心）、海洋经济研究所（科研管理中心）、海上丝绸之路研究所、海洋科学研究所（海南自贸港研究中心）、对外交流部（中国—东南亚南海研究中心）、办公室，海南自贸港研究基金会，北京分院及另外两个驻外分支机构。

经过二十多年的探索和发展，目前研究院拥有专兼职研究人员50余人，研究领域涵盖南海史地、海洋法、国际关系、海洋经济、资源开发、海洋治理、地区安全、公共外交、外国军力、“一带一路”、海南自贸港建设等。作为国家高端智库建设培育单位和我国研究南海问题的重镇，研究院以服务国家总体外交和海洋强国建设为目标导向，致力于建设我国南海问题研究基地、海洋治理人才培养基地和涉南海问题公共外交平台，为维护我国南海领土主权和海洋权益、和平解决南海争端、推动区域海洋治理与合作提供智力支持。

About NISCSS

The National Institute for South China Sea Studies (NISCSS) is a leading think tank in China dedicated to research on issues relating to the South China Sea. The Institute has seven multi-disciplinary research programs covering a wide range of fields. Topics include history, geography, geopolitics, regional security, international law, marine economy, environmental and ecological protection, the 21st Century Maritime Silk Road, the laws and policies of the Hainan free trade port, and regional cooperation.

The Institute, founded in 1996, was initially called the Hainan Research Institute for South China Sea Studies (HRISCS). In July 2004, the HRISCS was upgraded to the national level and renamed the "National Institute for South China Sea Studies". In 2013, the NISCSS established its Beijing Office in order to promote the study of the South China Sea and to improve the Institute's academic network and professional ties.

In 2016, the China-Southeast Asia Research Center on the South China Sea (CSARC) was inaugurated at Boao, Hainan, the headquarters of the Boao Forum for Asia. Initiated by the NISCSS, the CSARC also incorporates influential think tanks from Southeast Asia on its board. Based in China and facing Southeast Asia, the CSARC conveys peaceful and rational voices to the international community through the shared vision of regional countries to maintain peace and stability, and seeks the common prosperity of the greater South China Sea.

After more than twenty years of development and growth, the NISCSS has established more than 100 partnerships worldwide and conducted academic exchanges with renowned think tanks from over twenty countries and regions of the world.

About CODF

China Oceanic Development Foundation (CODF) is a national public welfare foundation approved by the State Council in June 2015. It is committed to promoting the implementation of such national strategies as the building of maritime power, the construction of ecological civilization and the "Belt and Road", the participation in the global ocean governance, the establishment of blue partnership, and the high-quality development of the marine economy by pooling domestic and foreign forces.

Therefore, CODF has established eight main projects to fulfill its commitment. They are respectively the project for "Belt and Road Construction" named "Boosting the Blue Economic Development through Marine Spatial Planning", the project for "Blue Partnership Construction" named "Advancing the High-Quality Economic Development through High-Tech Enterprises", the project for "Communication and Exchange" named "Helping Increase China's Right of Speech through High-End Ocean-Related Communication Platforms", the project for "Global Ocean Governance" named "Assisting the Building of an Ocean Governance System through the Research on Major Ocean-Related Issues", the project for "Professional Training" named "Inspiring College Students' Feelings for the Ocean and the Country through the Dissemination of Ocean-related Diplomatic Knowledge", the project for "Marine Knowledge Popularization" named "Cultivating Middle School Students with Marine Knowledge through Marine Libraries", the project for "Ecological Civilization Construction" named "Protecting the Beautiful Shoreline through Cleanups", and the project for "Marine Culture Construction" named "Telling China's Stories Well through Giving publicity of China's Marine Civilization Achievements".

Since the establishment of the above eight projects, CODF has done a lot of work and achieved significant benefits in the economy, ecology, and society. CODF has been active in international cooperation and expanded relationships with 18 maritime Silk Road countries and over 10 international organizations, which has been yielding results. CODF has fully fulfilled its commitment to pooling social forces by building such platforms as the Marine Spatial Planning Academy, the International Blue Economy Alliance, the High-end Marine Think-tank, the Action for Ecological Protection, and the Network of Marine Knowledge Dissemination, etc. The above platforms, altogether, have formed a great power to boost high-quality economic and social development.

CODF is a link between China and the world, and a platform to serve national construction and social development. It will strive to become an insightful organization among high-end marine think tanks, a pioneer in ocean public welfare activities, a practitioner in Maritime Silk Road construction, a helper in the blue economic development, and a promoter of China's wisdom in ocean governance.

CENTER FOR INTERNATIONAL SECURITY AND STRATEGY, TSINGHUA UNIVERSITY (CISS)

The Center for International Security and Strategy at Tsinghua University (CISS), established on 7 November 2018, is a research institution that analyzes international security and strategy issues, including diplomacy and international relations, global security governance, and artificial intelligence. The Center aims at providing policymakers with recommendations on resolving some of the world's most pressing security issues, as well as enhancing the international community's understanding of China's ideas and policies.

Steered by a Management Committee headed by Mme. Fu Ying, adjunct professor of Tsinghua University, the Center has an Academic Committee that provides academic guidance, and an Advisory Committee and Development Council that serve as advisory bodies. The Center also consists of five sub-centers and one secretariats, namely, the Research Center for International Security Governance, the Research Center for China-US Relationship and Research Center for Multi-disciplinary Research on New Technology and National Security, the Research Center for Asia-Pacific Maritime Security and Governance Studies, the Research Center for Regional Security Risks, the Strategy and Policy Consulting Department and the China Forum Secretariat.

中美研究中心简介

中美研究中心是一家由海南自贸港研究基金会资助的独立非盈利智库。致力于分析中美在海洋、经贸安全和全球治理问题方面的双边合作，探索中美关系的发展前景。位于华盛顿市中心的独特地理位置使它成为中美两国的思想交流和人员往来的桥梁。

About ICAS

The Institute for China-America Studies is an independent think tank funded by the Hainan Freeport Research Foundation in China. Based in the heart of Washington, DC, ICAS is uniquely situated to facilitate the exchange of ideas between China and the United States. We achieve this through research and partnerships with institutions and scholars in both countries, in order to provide a window into their respective worldviews.

ICAS focuses on key issues in the China-U.S. relationship in need of greater mutual understanding. We identify promising areas for strengthening bilateral cooperation in the spheres of Asia-Pacific maritime security, economic, trade, national security, and international relations as well as global governance issues, and explore avenues for improving this critical bilateral relationship.

ICAS is a nonprofit organization.
